BATCH : 2027 - 2029

ABOUT US.

Imperial School of Banking and Management Studies is a leading business school focused on developing future-ready professionals in Finance, Risk Management, Investment, International Taxation and Financial Technology. With a strong emphasis on specialised finance education, Imperial enables students to super-specialise in Finance in association with globally recognised professional and chartered bodies. Our industry-integrated pedagogy combines academic rigour, professional certifications, hands-on learning and mentorship from senior finance leaders, preparing students for high-impact careers across the evolving financial ecosystem.
